In this sweet surrender Jesus sets us free

Love's not just emotions, the passion of a song
Love is a firm anchor when things have gone wrong
Love takes shape in actions, a statement of the will
A choice to give it all up
And when its gone to keep on giving still

Em D/F# G C
I believe that the whole wide world will see

Am D Em
Jesus light by His love in you and me

C D G C
Holy Father send Your Spirit once again

Am D C D G
And through Jesus Christ Your praise will never end
